No substitutions are allowed on promotional items. Substitutions are allowed on menu items, however, items cannot be discounted, rather one item removed from the meal and a replacement added (e.g. lamb sausages could be removed from the order and extra boerewors added, and these changes will reflect on your bill). If you choose not to order one of our existing menu items, we encourage you to 'build' a meal of your choice, by starting with a basic meal and adding extra items to it. Thank you for your understanding and enjoy your meal.
